

Where to view video introduction to Mitsubishi Diamond System Builder (DSB):

[“https://www.acesupply.com/dealer-resources/”](https://www.acesupply.com/dealer-resources/)

PW: ACESRESOURCES

There is a **DSB Equipment Request Form** available at this link too. Simply fill it out over your phone or CPU with accurate information then submit it; please watch the short video introduction before you fill it out. Someone at ACES will receive your request and put the multi-port unit together you are asking for.

If you are interested in downloading the DSB tool to use on your computer please see following pages for guidance.

On this page, you will find resources that are exclusive to ACES A/C SUPPLY dealers. For more general and consistent information, join our customer Facebook Group [here](#).

[MULTI-PORT REQUEST FORM](#)

The screenshot shows a 'MULTI-PORT MINI-SPLIT REQUEST FORM'. The form includes several required fields marked with an asterisk: LOCATION, Company Name, YOUR NAME, PHONE NUMBER, EMAIL, and TACL. Each field has a 'Your answer' label and a text input area. There is also a 'Choose' dropdown menu for the LOCATION field. A red arrow points from the video player to the 'MULTI-PORT REQUEST FORM' link.

To download the DSB go to:
